						Numbers of Livestock							

Preparing the table for use: Obtain a list of conversion factors for each crop of type of livestock in your community from the county AAA office. Enter in the blank spaces at the top of the table the names of all crops produced. Place them in the column carrying the proper conversion factor (the figure in parenthesis). List the livestock at the bottom.

(over)

Acres of Crops											Numbers of Livestock												
(.25)	(.30)	(.33)	(.40)	(.50)	(.62)	(.80)	(1.00)	(1.30)	(1.50)	(2.00)	(2.50)
